

Have you served in the military?

Are you a Veteran?

Are you in business or interested in becoming a business owner?

The DCC Veterans Center is now offering business assistance to all Veterans. We are here to help with qualified staff, and the latest up-to-date information that governs small business.

The assistance will include but is not limited to:

- One to one counseling on all aspects of owning and operating a business
- Develop a Business Plan
- Assist you in launching a small business
- Develop a Business Marketing Plan
- Franchise opportunities and how to finance one
- New programs that support small business opportunities
- How to do business with the government
- Assistance with registrations and certifications needed to obtain government contracts
- Provide opportunities with local capital resource firms on available funding
- Doing business with the State of Michigan (Disabled veteran-owned businesses receive
- Introduction to subcontracting with local and state governments.
- Special focus with Michigan (MEDC) Education Seminar: "Bid Targeting System"

The office is open to help on Wednesdays and Thursdays 9:00 a.m. to 5 p.m.
