

Try Marketing Solutions That Grow Your Business

This Event is **FREE** - all that is needed is you and your time

Bizarre Marketing presents

Social Media; Mobile Website; Videos; Promotional Products Plus!

As a promotional advertising and marketing consultant, Tim Somers has helped develop solutions to marketing challenges through the innovative use of promotional products, direct mail, email marketing, and networking, including social networking through web 2.0 resources. Helping all types of clients with strategies to increase sales, brand awareness, tradeshow traffic, employee retention, and customer appreciation, including corporate buyers, marketing agencies, national chains, franchisees, and small to mid-sized businesses.
