Memorandum

Date: August 31, 2016
To: The DCC Finance Committee
James Perry, Executive Director
From: Maria Mancos
RE: Revised 2016-2017 Budgets

The Downriver Community Conference (DCC) is requesting approval of the following budgets for the fiscal year 2016-2017:

Downriver Community Conference	\$11,461,499
Downriver Mutual Aid	<u>\$ 7,708,417</u>
Total	\$19,169,916

The DCC will see a net decrease of \$263,323 from prior year funding levels.

Budget pages are set up in the following manner, **by department:**

- Proposed 2016-2017 budgets
- Revised 2015-2016 budgets
- Original 2015-2016 budgets

MEMBER COMMUNITIES

Allen Park • Brownstown Township • Dearborn • Dearborn Heights • Ecorse • Flat Rock • Gibraltar • Grosse Ile Township • Huron Township
Lincoln Park • Melvindale • River Rouge • Riverview • Romulus • Rockwood • Southgate • Taylor • Trenton • Woodhaven • Wyandotte

Central Funds (\$379,750): Funds 10XXX

The General Fund will have a decrease in funding during the 2016-2017 fiscal year primarily attributable to the unallowable expenditures from DESC – Employment Services and SBA504 program that ended with a balance due that required DCC to pay with non-grant funds. The Youth Assistance Program - Child Care Fund (only) fiduciary responsibilities will be ending in March 2017.

The DCC is requesting membership dues to remain the same for the 2016-2017 fiscal year at \$4,750 per community – 20 communities in total.

The Building Fund (\$1,229,035): Fund 20150

The occupancy rate is 72.9% overall. DCC occupies 59.32%, while the tenants occupy 13.58%, leaving the vacancy percentage at 27.1%. There's a slight reduction of occupancy. This is in part due to the consolidation and reconfiguration of the Transportation workspace. The PATH Boutique remodel as well as Women's restrooms across from PATH's new location will be completed in September 2016. These expenses were paid by program funds.

This year, the Building Department plans to continue to identify the most cost effective options for boiler replacement/heating alternatives and bathroom renovations. Long term planning includes replacement of windows, and roofing.

The Administration Team is looking into offering cold storage rooms to member communities at a reduced rate to utilize the unused classrooms on the second floor as they are lacking appropriate heating and air conditioning.

Employment & Training (\$4,402,259): Funds 33XXX

The continued reduction in Employment and Training (E&T) has been quite a challenge to work with our administrators to provide the most seamless program. This decrease in funding is attributable to a reduction in Wagner Peyser funding at the Federal level. The reduction will impact both SEMCA and DESC Employment Services and TAA Programs. Various cost containment and cost reduction strategies have been applied continuing since July 1, 2015 including reduction in occupancy expenses, reduction of TAA staff, and identifying job share opportunities among WIOA program staff and will continue this year.

The E&T Department is broken down into four departments:

1. Workforce Innovation and Opportunity Act (WIOA)

WIOA funds support Adult, Dislocated Worker and Youth programs.

2. Wagner Peyser/Employment Services (ES) – including TAA, RESEA and Trade Case Management

Trade Case Management supplemental funding will end September 30, 2016. No future funding has been approved/allocated. RESEA will continue until December 31, 2016 and no future funding has been approved at this time.

3. Partnership, Accountability, Training, Hope (PATH)

At this time, funding allocations are not available for Temporary Assistance for Needy Families (TANF), General Fund (GFGP) nor DHS Supportive Services.

4. Detroit Employment Services/Wagner Peyser – including TAA, RESEA and Trade Case Management.

DCC currently operates Employment Services and TAA programs at three locations within the City of Detroit through Detroit Employment Solutions Corporation (DESC).

Transportation (\$102,998): Funds 34XXX

The Jobs Access Reverse Commute (JARC) and New Freedom grants comprise the majority of the DCC's transportation funding and will support the department through the Budget Year 16-17. At this time, JARC additional funding has not been allocated.

Weatherization (\$709,052): Funds 44XXX

The Weatherization Department will be working as a partner/sub-contractor for Wayne Metro for the (DOE) home weatherization programs as well as the Low Income Housing Energy Assistance Program (LIHEAP).

DCC will continue to utilize the DTE Energy Optimization Rebate Program which provides DCC rebates for all refrigerators collected and replaced. These funds are to be used to support the Weatherization programs.

Economic Development (\$4,038,405): Funds 55XXX

The Economic Development Department continues to run grants funded by the US EPA. These grants provide loans and sub-grants to support cleanup activities at sites contaminated with hazardous substances (known as Brownfields) as well as assess various sites. These funds run over multiple years.

The Revolving Loan Funds began to receive repayments from the loans beginning April 2014. The repayment funds will be used for loans and sub-grants following grant guidelines.

DCC was appointed as the fiduciary for the Downriver International Wildlife Refuge Fishing Pier Project, which began in July 2015 and is scheduled to complete by December 2016.

The MEDC appointed DCC as the fiduciary for a Pilot Program - Veterans Small Business Development Program which began in July 2016 for six months.

Summer Youth Employment Program (\$600,000): Funds 66XXX

The Detroit Wayne Mental Health Authority (DWMHA) has contracted with DCC the past two summers to provide this program, which provides summer employment to at-risk youth throughout Out-Wayne County. We anticipate receiving the same level of funding (\$600,000) for summer of 2017.

Downriver Mutual Aid Funds (\$7,708,417): Funds 91XXX

The Downriver Mutual Aid (DMA) has a decrease in funding of \$1,569,881. The decrease is due to 911 revenue prior year resources incorrectly reported in last year's revised 2014/2015 budget. Some expenses in 911 that weren't anticipated attributed as well such as the annual radio maintenance. Additional DRANO expenses will reduce the prior year resources as well. The remaining balance in the State Forfeitures account will continue to be used for operational expenses.

The Downriver Mutual Aid teams are requesting membership dues remain the same for the 2016-17 fiscal year. Although, we have not received DRANO dues from two communities which benefit from these services, Administration is currently working on resolving.

The Downriver Mutual Aid continues to pursue various grants that will assist local Police and Fire departments.

911

Revenue is expected to decrease over the next year as a result of a reduction of landline use. There was also a delay in payments from Wayne County this year that has been corrected. We have budgeted for the additional payment from Wayne County in 16-17.

The 911 user fees of 42 cents per line are expected to be the same over the next year. The user fees are used to pay for the following:

- 800 MHz annual system costs and loan repayment
- 911 answering position and software support along with related server costs
- Tower site costs including main communications room
- Backup 911 connection fees and maintenance
- Onsite technical services for 911 related outages
- Two of three payments for the 911 upgrade
